## Roster of Boats and Participants

(click to download a printer friendly PDF versions of [Roster](#))

The rosters were last updated on: 31 August 2010

1. Check the roster for your boat and name and verify the data are correct. If not, then contact [Cruise Registration](#). We are missing data on district and squadron membership, as well as for tee shirt sizes. Note that tee shirt sizes are in *mens* only.
2. The Status column shows "paid" or "accepted" for those who have been accepted into the fleet, "rider" for those who are looking for rides, and "waitxx" for waitlisted boats (xx is your waitlist position). "pending" indicates that we are waiting for payment.
3. Bus riders from Bellevue to Anacortes should check that your "Bus" entry shows "yes." If not, then you don't have a seat. If this is wrong, contact [Cruise Registration](#).
